

## ДОДАТОК Б

## Список визначених форамініфер

*Аглютиновані форамініфери**Ammonoanites ruthvenmurrayi* (Cushman and Renz, 1946)*Ammobaculites deflexus* (Grzybowski, 1901)*Ammobaculites jarvisi* Cushman and Renz, 1946*Ammobaculites* sp.*Ammodiscus angustus* (Friedberg, 1901)*Ammodiscus bornemanni* (Reuss, 1863)*Ammodiscus glabratus* Cushman and Jarvis, 1928*Ammodiscus latus* Grzybowski, 1898*Ammodiscus peruvianus* Berry, 1928*Ammodiscus subangustus* (Mjatliuk, 1970)*Ammodiscus tenuissimus* (Grzybowski, 1898)*Ammosphaeroidina pseudopauciloculata* (Mjatliuk, 1966)*Annectina grzybowskii* (Jurkiewicz, 1960)*Aschemocella grandis* (Grzybowski, 1898)*Aschemocella subnodosiformis* (Grzybowski, 1898)*Caudammina gigantea* (Geroch, 1960)*Caudammina ovula* (Grzybowski, 1896)*Conglophragmium irregularis* (White, 1928)*Cyclammina placenta* (Reuss, 1855)*Cyclammina placenta* (Reuss, 1855)*Eggerella stryensis* Mjatliuk, 1970*Glomospira charoides* (Jones and Parker, 1860)*Glomospira diffundes* Cushman and Rens, 1946*Glomospira glomerata* (Grzybowski, 1898)*Glomospira gordialis* (Jones and Parker, 1860)*Glomospira irregularis* (Grzybowski, 1898)

- Glomospira rostokiensis* Mjatliuk, 1970 emend. herein  
*Glomospira serpens* (Grzybowski, 1898)  
*Haplophragmoides horridus* (Grzybowski, 1901)  
*Haplophragmoides mjatliukae* Maslakova, 1955  
*Haplophragmoides parvulus* Blaicher, 1961  
*Haplophragmoides suborbicularis* (Grzybowski, 1896)  
*Haplophragmoides walteri* (Grzybowski, 1898)  
*Hormosina trinitatensis* Cushman and Renz, 1946  
*Hormosina velascoense* (Cushman, 1926)  
*Hyperammia gaultina* Ten Dam, 1950  
*Hyperammia intermedia* Mjatliuk, 1970  
*Hyperammia lineariformis* (Subbotina, 1960)  
*Kalamopsis grzybowskii* (Dylażanka, 1923)  
*Karreriella zolkaensis* (Schutzkaya, 1956)  
*Karrerulina coniformis* (Grzybowski, 1898)  
*Karrerulina conversa* (Grzybowski, 1901)  
*Karrerulina horrida* (Mjatliuk, 1970)  
*Lituotuba lituiformis* (Brady, 1879)  
*Marssonella crassa* (Marsson, 1878)  
*Nothia excelsa* (Grzybowski, 1898)  
*Nothia robusta* (Grzybowski, 1898)  
*Nothia* sp.  
*Paratrochamminoides acervulatus* (Grzybowski, 1896)  
*Paratrochamminoides contortus* (Grzybowski, 1898)  
*Paratrochamminoides deformis* (Grzybowski, 1898)  
*Paratrochamminoides gorayskii* (Grzybowski, 1898) emend. Kaminski and Geroch, 1993  
*Paratrochamminoides heteromorphus* (Grzybowski, 1898)  
*Paratrochamminoides irregularis* (White, 1928)  
*Paratrochamminoides olszewskii* (Grzybowski, 1898)

- Placentamina placenta* (Grzybowski, 1898) emend. Geroch, 1960
- Popovia beckmanni* (Kaminski and Geroch, 1987)
- Praesphaerammina subgaleata* (Vašiček, 1947)
- Psammosiphonella cylindrica* (Glaessner, 1937)
- Psammosiphonella discreta* (Brady, 1881)
- Psammosphaera pseudofusca* Maslun, 1977
- Pseudonodosinella elongata* (Grzybowski, 1898)
- Pseudonodosinella nodulosa* (Brady, 1879), emend. Loeblich et Tappan, 1988
- Recurvoides anormis* Mjatliuk, 1970
- Recurvoides dissonus* Mjatliuk, 1970
- Recurvoides immane* (Grzybowski, 1898)
- Recurvoides pseudoregularis* Mjatliuk, 1970
- Recurvoides retroseptus* (Grzybowski, 1896)
- Recurvoides smugarensis* Mjatliuk, 1970
- Recurvoides varius* Mjatliuk, 1970
- Reophax duplex* Grzybowski, 1896
- Reophax pilulifer* Brady, 1884
- Reticulophragmium amplectens* (Grzybowski, 1898)
- Reticulophragmium intermedium* (Mjatliuk, 1970)
- Reticulophragmium rotundidorsatum* (Hantken, 1875)
- Reticulophragmoides jarvisi* (Thalman, 1932)
- Reticulophragmoides* sp.
- Rhizammina indivisa* Brady, 1884
- Rzehakina epigona* (Rzehak, 1895)
- Rzehakina fissistomata* (Grzybowski, 1901)
- Rzehakina lata* Cushman and Jarvis, 1928
- Rzehakina minima* Cushman et Renz, 1946
- Saccamina scabrosa* Mjatliuk, 1970
- Saccaminoides carpathicus* Geroch, 1955
- Silicobathsiphon dubia* Mjatliuk, 1970

*Silicobathysiphon gerochi* Mjatliuk, 1966  
*Silicobathysiphon pseudolocus* Mjatliuk, 1970  
*Silicobathysiphon subdivisus* Maslun, 1977  
*Spiroplectamina spectabilis* (Grzybowski, 1898) emend. Kaminski, 1984  
*Spiroplectamina subhaeringensis* (Grzybowski, 1896)  
*Subreophax scalaris* (Grzybowski, 1896)  
*Subreophax splendidus* (Grzybowski, 1898)  
*Textularia agglutinans* Orbigny, 1983  
*Thalmannammina subturbinata* (Grzybowski, 1898) emend. Pokorny, 1951  
*Trochammina advena* Cushman, 1922  
*Trochammina* aff. *gyroidinaeformis* Krasheninnikov, 1974  
*Trochammina globigeriniformis* (Jones and Parker, 1865)  
*Trochamminoides coronatus* (Brady, 1879)  
*Trochamminoides folius* (Grzybowski, 1898)  
*Trochamminoides proteus* (Karrer, 1866)  
*Trochamminoides subcoronatus* (Grzybowski, 1896)  
*Vulvulina advena* Cushman, 1926

### **Секреційні бентосні форамініфери**

*Anomalinoides acutus* (Plummer, 1926)  
*Anomalinoides danicus* (Brotzen, 1948)  
*Chilostomella azerbaidjanica* Chalilov, 1952  
*Chilostomella* aff. *balkhanensis* Dain and Chalilov, 1952  
*Chilostomella chilostomelloides* Vašiček, 1947  
*Cibicidina pseudolobatula* Mjatliuk, 1970  
*Cibicidoides amphisyliensis* (Andreae, 1884)  
*Cibicidoides coniferus* Mjatliuk, 1970  
*Cibicidoides grossoconulus* Mjatliuk, 1970  
*Cibicidoides padellus* (Jennings, 1936)  
*Cibicidoides praeconiferus* Mjatliuk, 1970

*Cibicidoides subconiferus* Mjatluk, 1970  
*Cibicidoides tallahattensis* (Bandy, 1949)  
*Ellipsoglandulina labiata* (Schwager, 1866)  
*Gyroidina soldanii* Orbigny, 1826  
*Gyroidina subangulata ukrainica* Maslakova, 1955  
*Heterolepa biumbonata* Furssenko and Furssenko, 1961  
*Lagena laevis* (Montagu, 1803)  
*Neoflabellina semireticulata* (Cushman and Jarvis, 1928)  
*Nodosarella subnodosa* (Guppy, 1894)  
*Nodosaria praesoluta* Mjatluk (in litt.) Maslakova, 1955  
*Nuttallides magnocamerata* (Maslakova, 1955)  
*Nuttallides truempyi* (Nuttall, 1930)  
*Oridorsalis subumbonatus* (Mjatluk, 1953)  
*Oridorsalis umbonatus* (Reuss, 1851)  
*Pleurostomella alazanensis cubensis* Cushman and Bermúdez, 1937  
*Pleurostomella* sp.  
*Stensioina caucasica* (Subbotina, 1936)  
*Stilostomella* sp.

### ***Планктонні форамініфери***

*Abathomphalus mayaroensis* (Bolli, 1951)  
*Acarinina acarinata* Subbotina, 1953  
*Acarinina bullbrooki* (Bolli, 1957)  
*Acarinina intermedia* Subbotina, 1953  
*Acarinina interposita* Subbotina, 1953  
*Acarinina pentacamerata* (Subbotina, 1947)  
*Acarinina pseudotopilensis* Subbotina, 1953  
*Acarinina rotundimarginata* Subbotina, 1953  
*Acarinina subsphaerica* (Subbotina, 1947)  
*Acarinina triplex* Subbotina, 1953

*Catapsydrax dissimilis* Cushman and Bermudes, 1937  
*Chiloguembelina compacta* (Maslakova, 1955)  
*Dentoglobigerina galavisi* (Bermúdez, 1961)  
*Dentoglobigerina tripartita* (Koch, 1926)  
*Dipsidripella karpatica* (Mjatliuk, 1970)  
*Eoglobigerina senonica* (Mjatliuk, 1970)  
*Eoglobigerina edita* (Subbotina, 1953)  
*Globanomalina pseudomenardii* (Bolli, 1957)  
*Globigerina aquiensis* Loeblich and Tappan, 1957  
*Globigerina officinalis* Subbotina, 1953  
*Globigerinatheka index* (Finlay, 1939)  
*Globigerinatheka kugleri* (Bolli, Loeblich and Tappan, 1957)  
*Globoconusa daubjergensis* (Bronnimann, 1953)  
*Globotruncana arca* (Cushman, 1926)  
*Globotruncana falsostuarti* Sigal, 1952  
*Globotruncanella havanensis* (Voorwijk, 1937)  
*Globotruncanella petaloidea* (Gandolfi, 1955)  
*Globotruncanita stuarti* (de Lapparent, 1918)  
*Hantkenina liebusi* Schokhina, 1937  
*Morozovella aequa* (Cushman and Renz, 1942)  
*Morozovella* aff. *formosa* (Bolli, 1957)  
*Morozovella angulata* (White, 1928)  
*Morozovella aragonensis* (Nuttall, 1930)  
*Morozovella lensiformis* (Subbotina, 1953)  
*Morozovella marginodentata* (Subbotina, 1953)  
*Morozovella occlusa* (Loeblich and Tappan, 1957)  
*Morozovella subbotinae* (Morozova, 1937)  
*Parasubbotina inaequispira* (Subbotina, 1953)  
*Parasubbotina varianta* (Subbotina, 1953)  
*Parvularugoglobigerina eugubina* (Luterbacher et Premoli Silva)

*Praemurica inconstans* (Subbotina, 1953)

*Pseudohastigerina micra* (Cole, 1927)

*Rugoglobigerina macrocephala* Brönnimann, 1952

*Subbotina corpulenta* Subbotina, 1953

*Subbotina droogeri* Mjatliuk, 1970

*Subbotina eocaena* (Gümbel, 1868)

*Subbotina hagni* (Gohrbandt, 1967)

*Subbotina inflatiformis* Mjatliuk, 1970

*Subbotina linaperta* (Finlay, 1939)

*Subbotina roesnaesensis* Olsson and Berggren (in Pearson et al., 2006)

*Subbotina triloculinoides* (Plummer, 1926)

*Subbotina vialovi* Mjatliuk, 1970

*Subbotina yeguaensis* (Weinzierl and Applin, 1929)
