

"On behalf of the President of the Polish Academy of Sciences, please be informed that within the framework of cooperation with the National Academy of Sciences of Ukraine (NASU) we introduce a new tool supporting cooperation with the Ukrainian researchers:

General conditions:

- a) expenses related to travel and stay of the Ukrainian scientists in the units of the PAS will be covered by the PAS;
- b) duration of the stay in the units of the PAS up to 3 months with possibility of extension, if necessary.

Who can apply:

To apply for funding the units of the PAS submit an application (enclosed) to the International Relation Department of the PAS. The call is ongoing until further notice.

The Ukrainian researchers who do not have scientific partners in the units of the PAS may contact:

International Relations Office of the PAS at: bwz@pan.pl or
The acting director of the PAS representation center in Kiyv: Mateusz Białas (Mateusz.Bialas@pan.pl)

Financial conditions:

- a) living expenses - 5000 PLN monthly,
 - b) travel costs from Ukraine to Poland - up to 1500 PLN.
- The refunding of costs will be carried out to the units of the PAS on a monthly basis.

Contact at PAN: bwz@pan.pl

Following our discussion with the leadership of NAWA and NCN more calls will follow shortly."
